Who Do I Look Like?

CIRCLE YES OR NO FOR EACH QUESTION

Do I look like a frog?

YES

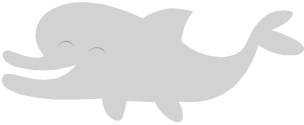

NO

Do I look like a pig?

YES

NO

Do I look like a dolphin?

YES

NO

Do I look like a bear?

YES

NO

Do I look like a lion?

YES

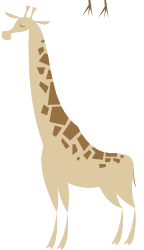

NO

Do I look like a chicken?

YES

NO

Do I look like a giraffe?

YES

NO

Do I look like a penguin?

YES

NO

Do I look like other people?

YES

NO

Who Do I Look Like?

CIRCLE ALL THOSE THAT APPLY!

My hair looks like the hair of...

my maternal grandfather

my mom

my dad

my maternal grandmother

my paternal grandmother

my paternal grandfather

me! – no one else has similar hair

My eyes look like the eyes of...

my maternal grandfather

my mom

my dad

my maternal grandmother

my paternal grandmother

my paternal grandfather

me! – no one else has similar eyes

My nose looks like the nose of...

my maternal grandfather

my mom

my dad

my maternal grandmother

my paternal grandmother

my paternal grandfather

me! – no one else has a similar nose

My ears look like the ears of...

my maternal grandfather

my mom

my dad

my maternal grandmother

my paternal grandmother

my paternal grandfather

me! – no one else has similar ears

My lips look like the lips of...

my maternal grandfather

my mom

my dad

my maternal grandmother

my paternal grandmother

my paternal grandfather

me! – no one else has similar lips

Overall, I look like...

my maternal grandfather

my mom

my dad

my maternal grandmother

my paternal grandmother

my paternal grandfather

me!

Resources

Books

Anderson, Hans Christian. **The Ugly Duckling.**

The classic tale of how animals change throughout their lives

Fisher, Aileen & Mique Moriuchi (illus). **The Story Goes On.** Roaring Book Press. 2005. ISBN-10: 1596430370.

A poetry based book on the life cycles of a variety of organisms

Horowitz, Ruth. **Crab Moon.** Cambridge, MA: Candlewick Press. 2000. ISBN: 0-7636-0709-6.

All about a boy who lives near the shore and the horseshoe crabs he encounters, with detailed life cycle information told in easy read-aloud format

Jenkins, Steve. **Actual Size.** Boston, MA: Houghton Mifflin Company. 2004. ISBN: 0618375945.

While this book does not specifically address life cycles, it does demonstrate the variety of animal shapes and sizes in the world

Posada, Mia. **Guess What is Growing Inside this Egg.** New York: Millbrook Press. 2007. ISBN: 08223561921.

This book looks at different eggs and who develops inside of them; presented in a riddle format

Posada, Mia. **Dandelions: Stars in the Grass.** Minneapolis, MN: Carolrhoda Books, Inc. 2000. ISBN: 1-57505-383-7.

Brings to life the detailed life of this common, often overlooked plant

Smithsonian (editorial consultants: Robert Winston & Don E. Wilson) **Human: A Definitive Visual Guide.**

New York: DK Publishing. 2004. ISBN-10: 0756605202 (hardcover) ISBN-10: 0756619017 (paperback)

A dense reference guide detailing what it means to be human. Great images accompany the entire text

There are a great variety of books about specific animals that discuss their individual life cycles. Some include:

The Life Cycle of A ... series by Crabtree Publishing Company of New York

The Life Cycle of A ... series by Rourke Publishing of Vero Beach, FL

Videos/DVDs

All About the Human Life Cycle. Schlessinger Media. Available on DVD (K7087 Schlessinger Media) & Video (ISBN: 1572254254)

All About Animal Life Cycles. Schlessinger Media. Available as a DVD (ISBN/ISSN: V6129 Schlessinger Media) & Video (ISBN: 1572252510)

Pumpkin Circle: The Story of a Garden. Tricycle Press. Available as a DVD (ISBN: 978-0-545-05033-3) & Video (ISBN: 1879368021 & ISBN: 978-0-545-05029-6)

This 20 minute video follows the life cycle of a pumpkin, and talks about its importance to humans, as well as the pumpkin's cultural significance in the United States. There is also a book by the same title and publisher that contains coordinating activities. DVD has both Spanish and English versions.

Spring Science. Weston Woods Video. ISBN: 978-0-439-80842-2

Contains several short segments including one based on Lois Ehlert's book **Waiting for Wings**, all about the butterfly life cycle

Websites

http://www.bbc.co.uk/schools/ks2bitesize/science/living_things.shtml

Great website that provides information about the plant life cycle, and reinforces the information through games and quizzes.

<http://www.fi.edu/tfi/units/life/living/living.html>

Information about different living patterns and life cycles of animals; a source of great links to other resources as well

http://www.bbc.co.uk/schools/ks2bitesize/science/revision_bites/moving_growing2.shtml

Human life cycle interactive information

<http://faunanet.gov.au/wos/activities/lifecycle/activity.cfm?groupid=15>

Sea Star Life Cycle information

<http://faunanet.gov.au/wos/activities.cfm>

Life cycles for a variety of marine organisms – see menu towards bottom of the page for specific animals

This project is made possible by a grant from the U.S. Institute of Museum and Library Services.
