CALL FOR ENTRIES!

WE ARE LOOKING FOR THE NEXT REGIONAL CHAMPIONS TO QUALIFY FOR THE NATIONAL RUBE GOLDBERG MACHINE COMPETITION!

DEADLINE

Are you looking for a fun way to get students thinking critically about Science, Math and Art and meet California state standards? Join our contest of curious contraptions - The Rube Goldberg Machine Contest - an annual national competition that challenges teams of students from high school to college age to compete in building the most elaborate and hilarious machine.

WHAT DO I DO NEXT?

BEFORE SCHOOL ENDS

Check out rubegoldberg.com, add the contest to your Fall calendar, get kids excited, and contact us so we can add you to our list.

OVER THE SUMMER

Integrate Rube Goldberg Machine Contest lesson plans.

AUGUST – OCTOBER

For teams of 3+ students, register for the competition on rubegoldberg.com by Aug 1 and receive a \$25 gift card to Home Depot to get started on buying any necessary machine parts!

NOVEMBER

Invite parents and friends, and we'll promote the contest to the whole region, bringing cheering crowds to the Pier to watch your team compete. Claim your rightful glory!

CONTACT

To register and ask questions, contact Heather Doyle, hdoyle@healthebay.org. Include school or group name, number of participants and contact info.

ABOUT

Heal The Bay is the leading marine conservation non-profit in Southern California and also the Education Programming Curator for the Santa Monica Pier. Heal The Bay and its Pier Aquarium lead the Pier's S.T.E.A.M. education initiative which includes STEAM Machines, a Curriculum for learning opportunities at the Pier, and a scavenger hunt.
