

Key to the Sea Teacher Feedback

Workshop I

Awesome. This will be a trip they will never forget and will learn a lot.

- Third grade teacher at Alta California Elementary School [Panorama City]

This is a wonderful program. This gave me a lot of ideas on how I can teach my students awareness of their environment and what role they can play in helping make the environment better.

- High school teacher at Leichman High School [Reseda]

I had a wonderful time, very informative! I was sleepy when I came in but my excitement grew with all the great info!

- First grade teacher from Frederick Douglass Academy Elementary School [Los Angeles]

It's beautiful here, amazing beach! The best workshop ever attended in 35 years of teaching. I can believe you gave us the supplies we need for hands-on I have never experienced this. I loved both our enthusiasm and passion, you were very inspiring. Get activity examples. I am very excited to make this my science program this year. This is what is real for our students. You are great presenters, really!

-Fourth grade teacher from Limerick Ave Elementary [Canoga Park]

I've been here before and was extremely pleased with what the children learned about the importance of caring for our animals and coast environment.

-Third grade teacher from Canterbury Magnet [Pacoima]

It has given me the resources and confidence to teach my students how to observe and analyze a marine environment. The activities are engaging and meaningful.

- A fourth/fifth grade teacher from Anatola Elementary [Van Nuys]

Workshop II

I love the curriculum layout and design. What a great opportunity to have these information and resources both for me and my students.

-A Fenton Primary Center preschool teacher [Lake View Terrace]

Engaging and informative. Loved the in-service! Can't wait to go back to see the kids.

- A kindergarten teacher from Desert Rose Elementary [Palmdale]

Great ideas for making very complex ideas teachable to kids.

- A second grade teacher from Anatola Elementary [Van Nuys]

I love the curriculum layout and design. What a great opportunity to have these information and resources both for me and my students.

- A first grade teacher at Fenton Primary Center [Lake View Terrace]

So Great! I wish my kids could come every weekend.

- A fifth grade teacher from The Ambassador School of Global Education [Los Angeles]

Loved it - thank you for all the wonderful resources and making this program available to us - well worth my time to get up on a Saturday!

- A kindergarten teacher from Norwood Street Elementary [Los Angeles]

Veteran Teacher

I've gone for years. My students have always enjoyed the trip. They love learning all about the ocean and the creatures that live there.
